What has happened down here, Is the winds have changed Clouds roll in from the north And it started to rain It rained real hard, and It rained for a real long time Six feet of water In the streets of Evangeline

The river rose all day, The river rose all night Some people got lost in the flood, Some people got away alright The river had busted through Clear down to Plackermine Six feet of water In the streets of Evangeline

Louisiana, Louisiana They're trying to wash us away, They're trying to wash us away Oh Louisiana, Louisiana They're trying to wash us away, They're trying to wash us away

President Coolidge come down, In a railroad train With his little fat man With a note pad in his hand President says "little fat man, Oh isn't it a shame, What the river has done To this poor farmer's land"
