

# Say What's In My Heart

Aaron Neville

My eyes can't lie to you  
My kiss my kiss can only tell you true now  
You say you have your doubts  
But I say I don't know what that talks about now

My world, I have given you  
I never gave myself the way I gave myself to you  
What have I gotta do to make you believe I love you  
What have I gotta say to make you believe you're the one for me

Didn't you hold me last night  
Didn't you look in my eyes  
Didn't I, didn't I say what's in my heart  
Didn't my heart tell you true, that I could only love you  
Didn't I, didn't I say what's in my heart  
When I say I love you, I say what's in my heart

There is no other love  
I know that God knows you're the only one so  
Why can't you believe when I tell you there ain't nobody  
There ain't nobody but you in my heart

Long as we've been together  
You should know by now the love I feel, I feel forever

What have I gotta do to make you believe I love you  
What have I gotta say to make you believe you're the one for me,  
Didn't you hold me last night  
Didn't you look in my eyes  
Didn't I, didn't I say what's in my heart  
Didn't my heart tell you true, that I could only love you  
Didn't I, didn't I say what's in my heart  
When I say I love you I say what's in my heart

I'll never walk away, I'll never leave your side,  
I'll never break your heart looking in someone else's eyes  
You're the one I need, the air that I breathe  
I won't live one day without you, believe me

Didn't you hold me last night,  
Didn't you look in my eyes,  
Didn't I, didn't I say what's in my heart,  
Didn't my heart tell you true, that I could only love you  
Didn't I, didn't I say what's in my heart  
When I say I love you I say what's in my heart

Didn't you hold me last night,  
Didn't you look in my eyes,  
Didn't I, didn't I say what's in my heart,  
Didn't my heart tell you true, that I could only love you  
Didn't I, didn't I say what's in my heart,  
Didn't you hold me last night  
Didn't you look in my eyes  
Didn't I, didn't I say what's in my heart
