

# Use Me

Aaron Neville

Well, my friends feel it's their appointed duty  
They keep trying to tell me all you want to do is use me  
But my answer to all that use me stuff  
Is that I, I want to spread the news  
That if it feels this good getting used  
Oh, you just keep on using me until you use me up  
Until you use me up

But my brother  
You know he sit me right down and he talked to me  
Well, he told me that I ought not to let you just walk on me  
But I'm sure he meant well  
You know, but when our talk was through  
I had to say, now brother, if you only knew  
You'd wish that you were in my shoes  
Whoa, you just keep on using me until you use me up  
Until you use me up

But sometimes, it's true you really do abuse me  
Well, you get me in a crowd of high-class people  
And then you act real rude to me  
But, oh baby, baby, baby, baby  
When you love me, I can't get enough  
And I, said I want to spread the news  
That if it feels this good getting used  
Oh, you just keep on using me until you use me up  
Until you use me up

Talkin' 'bout you using me  
And It all depends on what you do  
It ain't too bad the way you're using me  
Cause I sure am using you to do the things you do  
Until you use me up

Until you use me up  
Until you use me up  
Until you use me up  
Baby, just a keep on using  
Until you use me up  
Until you use me up  
Baby....  
Until you use me up  
Get funky....  
Until you use me up  
Until you use me up
