

Perfectly Blue

Aaron Pritchett

Time can make lonely a fools paradise
Thought I was in heaven, alone every night
Before I met you I was perfect
Perfectly Blue

Change doesn't come easy for the good or the bad
Honey you're the best thing that I've ever had
Before I met you I was perfect
Perfectly blue

I used to cry out in the sun
To the dark side of a love I was accustomed
Then you came along
And turned my whole world
Upside down, upside down

I'm lost in your sweet love, ain't cried for days
It's so hard to be lonesome with a smile on my face
Before I met you I was perfect
Perfectly blue

Change doesn't come easy for the good or the bad
Honey you're the best thing that I've ever had
Before I met you I was perfect
Perfectly blue

Oh, before I met you I was perfect
Perfectly blue
