

Live To Lose

Aaron Shust

Take my life, take it all
I lay it at your throne
I am rich, satisfied
when I am your alone

(chorus)

I have learned to live to lose
I have found my all in you
I cannot hold it all,
it's lost, it's true
cause I have learned to live
to lose

precious one
crucified
died to set me free
I hold nothing back from you
who gave it all to me

(chorus)

Jesus you're the one
you're the only one for me
(repeat 3x)

(chorus)

Yes, I have learned to live to lose
to live to lose
