

# The Great Overcomer

Aaron Shust

Listen closely can you hear it?  
Every tribe and tongue sings out a song  
full of hope and full of power  
as your people rise and sing along

Though the thunder roll  
and the darkness rage  
You'll never change

Our hope is built on nothing less  
than Jesus blood and righteousness  
We stand on what You've done  
We stand on what You've done  
We will not bend we will not break  
You are our strength so we will say  
Our King has overcome  
Our King has overcome the world

So let faith arise as we Your children  
place our trust in every word You've said  
You live in us with all the power  
to heal the sick and even raise the dead

We lift our eyes oh we're not forsaken  
Your love remains

Our hope is built on nothing less  
than Jesus blood and righteousness  
We stand on what You've done  
We stand on what You've done  
We will not bend we will not break  
You are our strength so we will say  
Our King has overcome  
Our King has overcome the world

You're the great overcomer  
You're the King of all Kings  
You're the One who was and who'll always be  
You're our source of life  
You're the breath we breathe  
You're the reason we'll sing for eternity

Our hope is built on nothing less  
than Jesus blood and righteousness  
We stand on what You've done  
We stand on what You've done  
We will not bend we will not break  
You are our strength so we will say  
Our King has overcome  
Our King has overcome the world

You're the great overcomer  
Over death, hell and the grave  
You're the great overcomer  
Oh there's nothing that You can't save  
You're the great overcomer  
I know, I know, I know

You're the great overcomer
