Aaron Watson

Born and raised in Oklamhoma
Young man moved to Tennessee
He started running with the devil
Chasing that honky tonker's dream

To find a new found love for their lost cause
Lord knows she loved him
Despite all his flaws
And he loved her

No he never saw her wings

With the Father, Son and the Holy Ghost

God bless angels and pray outlaws
To find a new found love for their lost cause
Lord knows she loved him
Despite all his flaws
And he loved her
'Cause she made him want to be a better man

Lord knows, it wasn't, a cold day in hell
Like everybody, thought it would be
It was actually a beautiful July mornin'
When he and that preacher man
Came walking up out of that creek

God bless angels and pray outlaws
To find a new found love for their lost cause
Lord knows she loved him
Despite all his flaws
And he loved her
'Cause she made him want to be a better man

And he loved her
'Cause she made him want to be a better man
And he was...
