

## Thanks A Lot

Aaron Watson

Thanks, thanks a lot  
I got a broken heart that's all I got  
You made me cry and I cried a lot  
I lost your love, honey, thanks a lot.

You told our friends I was passing by  
That you're not sorry that you made me cry  
You said I deserved just what I got  
Well, if that's how you feel, honey, thanks a lot.

Thanks, thanks a lot  
I got a broken heart that's all I got  
You made me cry and I cried a lot  
I lost your love, honey, thanks a lot.

You wanted a fool, and I played the part  
Now all I've got is a broken heart  
We loved a little and you laughed a lot  
Then you were gone, honey, thanks a lot.
