

## The Remedy

### Abandoned Pools

I could use  
A shot  
Your novacaine  
My soul's a fuse  
Blows away your name

Then you can be the remedy  
And I can be the enemy  
And he can go and live as nothing  
They you can be the wanna be  
And I can be the remedy  
And he can go to hell for all I care

Say this world is not so shallow  
When you can't beg steal or borrow  
Save your breath your soul is hollow  
And it's all too much to swallow

Take this souvenir  
They can't deny you were here  
This scar always there  
To medicate your fear
