

I Have A Dream

ABBA

B **F7** **B**
I have a dream a song to sing
F7 **B**
to help me cope with anything.
F7 **B**
if you see the wonder of a fairy tale
F7 **B**
you can take the future even if you fail.
F7
I beleive in angels something good in
Es **B** **F7**
everything I see I believe in angels
Es **B**
when I know the time is right for me.
F7 **B**
I'll cross the stream I have a dream.
B **F7** **B**
I have a dream of fantasy,
F7 **B**
to help me through reality.
F7 **B**
And my destination makes it worth the while,
F7 **B**
pushing through the darkness still another mile.
F7
I beleive in angels something good in
Es **B** **F7**
everything I see I believe in angels
Es **B**
when I know the time is right for me.
F7 **B**
I'll cross the stream I have a dream.
