

I Need You

ABBA

ni-ni-ni-ni
Need You I Need You
I Don't just say for you
Then I Love You

You think then I want you
but I need you
and I love you
You must know who loves you
so just I

I think then I'm very embarrassed
When I'm giving a small ball for you
I am as bamboozled.....

R: I Need you I need you
I love you and my heart is feeling it
I need you I need you
I Love you and I'm going everywhere with you because I love you
u

ni-ni-ni-ni
Need You I need you
And I remember to our happy days
When we are smiling in the snow

I can still recall!
The Days when I Was in your arms
Got to know that we've been Trying
The Places I had planned for us to go
why you are come to the evil world?

R: I Need You I need You
I love You and my heart is feeling it!
I need you I need you I need you

I love you and you love me
I need you I need you I need you....
