

Kisses of Fire

ABBA

Lay your head on my chest
so you hear every beat of my heart
Now there's nothing at all that can keep us apart
Touch my lips, close your eyes
and see with your finger tips
Things that you do,
and you know I'm crazy 'bout you

Kisses of fire, burning, burning
I'm at the point of no returning
Kisses of fire, sweet devotions
Caught in a landslide of emotions
I've had my share of love affairs
but they were nothing compared to this
Oh, I'm riding higher than the sky
and there is fire in every kiss
Kisses of fire
Kisses of fire

When you sleep by my side
I feel safe and I know I belong
Still it's making me scared
that my love is so strong
Losing you is a nightmare fate and to me it's new
Never before did you see me begging for more

Kisses of fire, burning, burning...

Kisses of fire, burning, burning
I'm at the point of no returning
Kisses of fire, sweet devotions
Caught in a landslide of emotions
Kisses of fire, burning, burning

Kisses of fire,
I've had my share of love affairs
but they were nothing compared to this

Kisses of fire, burning, burning
I'm at the point of no returning
Kisses of fire, sweet devotions
Caught in a landslide of emotions
Kisses of fire, burning, burning
