

Knowing Me, Knowing You

ABBA

- D Em Em7 Bm7 F#m7**
1. No more carefree laughter
Silence ever after
Bm A
Walking through an empty house
Tears in my eyes
G Bm
Here is where the story ends
This is goodbye
- G A**
R: Knowing me, knowing you
D
There is nothing we can do
G A
Knowing me, knowing you
We just have to face it
D G A
This time we're through
D F#m G A
Breaking up is never easy, I know
D G A
But I have to go
D Gmaj7
Knowing me, knowing you
A
It's the best I can do.
2. Mem'ries, good days, bad days
They'll be with me always
In these old familiar rooms
Children would play
Now there's only emptiness
Nothing to say.
- R: Knowing me, knowing you...
