

# Our Last Summer

ABBA

R: I can still recall, our last summer  
I still see it all  
Walks along the Seine, laughing in the rain  
Our last summer, memories that remain

2. We made our way along the river  
And we sat down in the grass by the Eiffel tower  
I was so happy we had met  
It was the age of no regret... Ohhhh yes  
Those crazy years that was the time  
Of the flower-power  
But underneath, We had a fear of flying  
Of growing old, A fear of slowly dying  
We took our chance, Like we were dancing our last dance

R: I can still recall, our last summer  
I still see it all  
In the tourist jam, Round the Notre Dame  
Our last summer, walking hand in hand

Paris restaurants, our last summer  
Morning croissants  
Living for the day, worries far away  
Our last summer, we could laugh and play

3. And now you're working in a bank  
A family man, a football fan  
And your name is Harry  
How dull it seems  
Are you the hero of my dreams

R: I can still recall, our last summer  
I still see it all
