

Bloodsucker

Abscess

Vaginal bloodfeast menstrual meal salivating like a
Dog warm rush I fell I'm a bloodsucking bastard I dine
From your hole blood-like wine rejected uteral wall
Bloodsucker maxipad tongue not a bit to be wasted I don't
Want to die 'til your fluid I've tasted I'll wear it s a symbol
Of my dedication I just want to drown in your menstruation
Bloodsucker the blood is dripping down my chin I love the
Chunks I take it in part the gates release the flood for me
And I'll suck up every drop you bleed bloodsucker
