

## From Bleeding Skies

### Abscess

Creeping from the Bleeding Sky  
In Your Brain and Out Your Eye  
Drooling as Your Mind is Invaded  
Twitch and Gasp and Choke

Oozing from the Hole in Your Soul  
Snakes in Your Views Slithering Slow  
Shadows in Your Organs Swarming  
Writhe and Fry Inside

Internal Immolation  
Creeping Through the Rip in Your Mind  
Dimensional Delimbing  
Body Parts Adrift in Time
