I dont care about your whole fucking life
I dont care if you're tortured, I dont care if you're right
I dont care what you think, I dont care what you say
I dont care if you're depressed I dont care if you're gay

drugs wars and guns I dont care
dykes raping nuns..... I dont care
bodies in bags.....I dont care
zombies in drag.....I dont care

I dont care about all of the things that you've got
I dont care if you're happy, I dont care if you rot
I dont care if you're vile, I dont care if you're sane
I dont care if you hate me and I dont care about your pain

I dont give a fuck I dont give a fuck I dont give a fuck
