

A Stride Through Time

Absurd Minds

A little flicker of my eyelids,
closed so long, has not yet been sufficient
to give me confidence in myself.
Where is the power, where is the force,
that wakes me up?
I realize I have to walk this way alone.
No one will stand by me.

Now or never - you have to go,
tomorrow`s out of reach!

A stride through time into eternity -
it gives you the real world.
So give up all and you gain all.
Prepare you now for the undoing
of what never was.

It`s like a sunbeam, that fears and hates the sun.
I`ts like a wave, that fears the ocean.
It`s like a grain of sand, that fears the desert.
But they are unaware and they don`t care.

A little flicker of your eyelids,
closed so long, has not yet been sufficient
to give you confidence in yourself.
Here is the power, Here is the force,
that wakes you up.
I tell you: you don`t have to walk this way alone.
I stand by you.
