You're the creator, enjoyer, destroyer of all you see
You may believe in the world outside of you
It's just a concept, and not valid for you

That's why, the pain never ends.

The final lesson cannot be grasped by those who aren't prepared
to go beyond the reach of the world, they know.

The world will finally end in joy, cause it's a place of sorrow
The world will end with laughter, cause it's a place for tears.

[Chorus]

The final lesson can not be grasped by those... x2
