

## Powerful

## Absurd Minds

You really lived when you were children  
You really lived when you were young  
And that was when you were the most powerful  
When you desire to know everything there is to know  
Then you will start to live again  
Every dream you've ever wanted you get to have  
You'll be the most powerful

And your destiny genetic as it seems  
Will not be restricted  
Cause your life will be extended

Was do denkst was do fühlst was do tust das bist do  
The real wish comes alive  
Was do liebste was do gibst was do bekommst entspricht dir  
Divine thoughts in my mind

The moment you become that which is termed adults  
You no longer dream and hope  
You are an educational machine that eats and labors  
That fights and wars

You can be what you wanna be  
You can live what you wanna live  
You can get what you wanna get  
Do it all when you want to know
