

Pretty Horny Flow

Absynthe Minded

This is a story that I never told before
A late afternoon drink well I want more
The waitress is too hot to pick on
She got her breasts from mother nature and she hates to work in
places
Like this, the people are stupid and bored
well it's hard to pay the bills and I forgot to take my pills
I sometimes wonder how they make it through the day
I checked it out that night, I took delight

And now I know
You're so empty
And when it's time to go
You'll feel unsatisfied
cause you didn't use your mind
Deliberately stayed behind
You overlooked
And now you're hooked
But I don't mind

The fiercest thing to say is that I am one of them
I got to see her in her glory and man I wanted more
She has this pretty horny flow

I had a pleasant night, a ride home, my body felt like reborn
And hers it felt like never touched before
But that ain't no fact as she pushed me on my back
She went on and on and on
I checked it out that night
I took delight

And now I know
You're so empty
And when it's time to go
You'll feel unsatisfied
cause you didn't use your mind
Deliberately stayed behind
You overlooked
And now you're hooked
But I don't mind
