## **Pretty Horny Flow**

**Absynthe Minded** 

This is a story that I never told before A late afternoon drink well I want more The waitress is too hot to pick on She got her breasts from mother nature and she hates to work in places Like this, the people are stupid and bored well it's hard to pay the bills and I forgot to take my pills I sometimes wonder how they make it through the day I checked it out that night, I took delight And now I know You're so empty And when it's time to go You'll feel unsatisfied cause you didn't use your mind Deliberately stayed behind You overlooked And now you're hooked But I don't mind The fiercest thing to say is that I am one of them I got to see her in her glory and man I wanted more She has this pretty horny flow I had a pleasant night, a ride home, my body felt like reborn And hers it felt like never touched before But that ain't no fact as she pushed me on my back She went on and on and on I checked it out that night I took delight And now I know You're so empty And when it's time to go You'll feel unsatisfied cause you didn't use your mind Deliberately stayed behind You overlooked And now you're hooked But I don't mind
