

# The Crown Of The Serpentine King

**Abused Majesty**

Me, the Moonlit Knight and king's heir  
I am giving you all my word  
In the face of God, the Father of the World  
And the Three immortal old elders  
I promise on my sword  
And the ancient serpent' soul enchanted in it  
To defend the land of our fathers'  
- an ancient abode and our nation's graveyard  
And if there's such a need to sacrifice my life for them
