

## Walking in the Shadow

Accept

All my fire ain't gone inside  
Only with you I will survive  
And I live in the shadow of this wall  
With fifty-eight thousand all in all

I surrender - I surrender  
Heart'n'soul's gone to nowhere

Walking in the shadow - walking in the night  
Walking in the shadow - walking in the night

For the very first time in your life  
You've not been the last in line  
You had to die instead of me  
Do I have to live for you now

Is that what you want me to do  
Live in agony and pain

Walking in the shadow - walking in the night  
Walking in the shadow - walking in the night  
In the night

Walking in the shadow - walking in the night  
Walking in the shadow - walking in the night

Oh, yeah!  
Walking in the shadow - walking in the night  
Walking in the shadow - walking in the night  
In the night - in the night
