Take a look at me now, I'm from the gutta but I made it, I made it to the top of the world,

Nothin holdin me down, I told them haters I would make it, I ma de it to the top of the world $\ \ \,$

Congradulations all you fakers as you see I graduated, heres a favour for you haters, kiss my anus boiiii,

I made it out the ghetto, I made it out the gutta, but still I keep the street and now im hot as every summer.

They said I couldn't do it, but who are they to call, I started rappin and ended chances of playin ball.

And now the doubted, but young is sproutin above them all, straight out the ? county gutta skippin metaposs.

2 stacks of betta is easy cheddar to hit the mall. I get the mo ney to throw em so every day I ball,

And yes I made it, you cant mistake it, I know they hate it, th ey see my face in the paper next to they rappin favorites, I am so amazing I am no one like im in the matrix.

And I made it mama, and don't stress your problems imma get us out tha, forget the drama that people holla just follow godda. And he will lead you right through the problems I promise mama,

and I swear that to the day I parish,

tell em khaled I will bury every nescesary cat who said I would n't homie.

Look at me now yea im laughin at you non believers, screamin gu tta while im ballin err fuckin season,

I use to pass my cd me and fo fifth in 80, I use to bag em to 1 isten but they were not believing, GO

And as I rap I create a classic, who would imagine, that I would inherit all the traits to be the greatest homie,

the world is mine and everything, lets get the money, see tony montana said it best, yes it's quoted truly,

so add this song to your list of greatest and classic movies, a nd imma roll the credits,

just in second, just get this message, shout out to everyone who supported me from past to present,

and I wanna thank khaled because without him there will be no s essions,

and I wanna thank fam cuz wit them they taught me this lesson,

and I wanna thank god cuz without him there will be no message,

and I wanna thank all of my fans cuz they are a blessing, this for BET refrence, I got my speech ready,
