## Ace Troubleshooter

Yoko

You know who she is You know what she does Only I know what that girl's doing to you You know who she is You know what she does Only I know what that girl's doing to you

There' one for every band Almost one for every man If you're not careful She'll eat you up So please be careful

Yoko Yoko Nagging all the time Wasting all hes time Yoko Yoko Be carefull with that boy Better be carefull with that boy

She'll win you with composure And perfect nonchalance She'll lure you in and snag you Make you think that you'r the Fonz She'll get you in her clutches Make you her confidant She'll nag you to death and she'll drag you Man you've gotta get rid of that debutante

She'll nag you to death and by inches Will suck all the life that you somehow have left Yeah it will only be nag nag nag
