Acid House Kings

I'll be gone tomorrow
That's when you wake up
To tell me you don't want me
It's like telling a joke without a point
Kissing a girl without the tongue
Leaving you untouched
I'm in love
I'm in love

I will try to kiss you
While you're still asleep
But I just don't dare now
'Cause I know that you are still alive
A ghost around my little one
But you're far too close now
I'm in love

That you say to me

Leaving you untouched
