## **Deutscher Girls**

We'll do the Tango We'll try the Fox Trot I'll eat a mango You drink a straight scotch You know I told you You could be classy So why did you have To be so nasty?

Remember the curls Of the Deutscher Girls? lover of mine From down on the Rhine

I'll fill your bath with The finest champagne I'll lick your skin dry I cherish your name The stakes get higher As you dress sparsely So why did you have To be so nasty?

Remember the curls Of the Deutscher Girls? lover of mine From down on the Rhine

I love your blonde hair I kiss your pigtails And I could not share The scratch of your nails And though you mark me Your eyes so glassy Oh why did you have To be so nasty?

Remember the curls Of the Deutscher Girls? lover of mine From down on the Rhine

I said remember the curls Of the Deutscher Girls? lover of mine From down on the Rhine

I said remember the curls Of the Deutscher Girls? A love of mine From down on the Rhine
