

## Kick

Adam Ant

See a nation on its knees  
And its heritage dead  
See a nation needing 'Civilization'  
Like a hole in the head

One Race! Today! One Chant! Kick

So now you're trying it on me  
But I'm aware of the plan  
To save the 'man' you have to kill the 'indian'  
By simply shaking his hand

One Race! Today! One Chant! Kick
