Something went wrong You're not laughing It's not so easy now to get you to smile You gotta be strong To walk these streets And keep from falling But when you're not, just let yourself cry You've been working hard Just trying to pay the rent Tryin' to draw the line between who you are and who you invent But if you throw a stone Something's gonna shatter somewhere We're all so fragile We're all so scared You say you wanna learn how to live your life without tears But we've been trying to do that for thousands of years So go on and cry Ophelia It's the only thing to do sometimes You know I'm crying too Right there with you It's alright, Ophelia Everybody cries Thank god for my bad memory I've forgotten some of the stupid things that I've done I've come to a little wisdom through a whole lot of failure So I watch more carefully what rolls off my tongue You pray for rain But you don't want it from a storm Yeah, you find a rose And cut your finger on a thorn So go on and cry, Ophelia It's the only thing to do sometimes You know I'm crying too Right there with you It's alright, Ophelia Everybody cries, Ophelia It's the perfect thing to do sometimes You know I'm crying too, right there with you It's alright, Ophelia Everybody cries, Ophelia Cry, Ophelia I'm crying too, right there with you It's alright, Ophelia Everybody cries
