

## Another Lonely Day

Adam Gontier

Yes indeed I'm alone again  
and here comes emptiness crashing in  
it's either love or hate  
I can't find in between  
cause I've been with witches  
and I have been with a queen

it wouldn't have worked out any way  
so for now it's just another lonely day hey hey  
further along we just may  
but for now it's just another lonely day

wish there was something  
I could say or do  
I can resist anything  
but the temptation from you  
but I'd rather walk alone  
than chase you around  
I would rather fall myself  
than let you drag me on down

it wouldn't have worked out any way  
so for now it's just another lonely day hey hey  
further along we just may  
but for now it's just another lonely day

yesterday seems like a life ago  
cause the one I love  
today I hardly know  
you I held so close in my heart oh dear  
grow further from me  
with every falling tear

it wouldn't have worked out any way  
so for now it's just another lonely day, hey hey  
further along we just may, ay ay  
but for now it's just another lonely day
