

Tidal Wave

Adam Gontier

The seas are changing
There's a ripple in the shallows
And it calls to me

I listen carefully

It says
(Wake up wake up)
I feel it pulling me to
(Stand up stand up)

The sea is telling me to
Rise like the tide
Now's the time to join the fight

I'm gonna rise today
Gonna ride into the battle
Like a Tidal Wave
Like a Tidal Wave
I'm gonna rise today

Gonna ride into the battle
Like a Tidal Wave
I'm a Tidal Wave
I'm gonna rise today

Coming to dominate the battleground
I'm rising up and your going down
Don't get caught up in there rip tide
There's no way you're gettin out alive

I think it's time
(Wake up wake up)
I feel it pulling me to
(Stand up stand up)

The sea is telling me to
Rise like the tide
Now's the time to join the fight

I'm gonna rise today
Gonna ride into the battle
Like a Tidal Wave
Like a Tidal Wave
I'm gonna rise today
Gonna ride into the battle
Like a Tidal Wave
I'm a Tidal Wave
I'm gonna rise today

I'm gonna rise today
Gonna ride into the battle
Like a Tidal Wave
Like a Tidal Wave
I'm gonna rise today
Gonna ride into the battle
Like a Tidal Wave

I'm a Tidal Wave

I'm gonna rise today
Gonna ride into the battle
Like a Tidal Wave
Like a Tidal Wave
I'm gonna rise today
Gonna ride into the battle
Like a Tidal Wave
I'm a Tidal Wave
