

# Million Miles Away

Adam Hood

Sharp pain in my soul, no car on the county road I can't stand  
to be going home, I'm so mad, I'm so alone

I made some big mistakes, but I can't take back yesterday It's  
just too hard to live this way, when your heart is a million mi  
les away

I get tired and it makes me mean, but cruel words aren't what y  
ou need I know, we both agreed, but sometimes life gets down on  
me

Two hours on the interstate I get quiet and start to pray but i  
t feels like I've lost my fate when we can't work it out there'  
s a...

Sharp pain in my soul, no cars on the county road what I'd give  
to change my fate when your heart is a million miles away your  
heart is a million miles away
