

Into the Fire

Adamantra

Thou shall enter
to the Kingdom Eternal
it is a place that many enter
but only few come out again

It is a
kingdom of fire
infernal region

All is one but
one is not all, pray...
... that I will not
heed my Masters call
Desperate yet faithful
you will meet your Maker soon
Into the Fire

Writing sermons
in her fresh blood...she rises...
You'll be the sacrifice for many
the Swan of Death is floating by
in silence

Kingdom of fire
infernal region

All is one but
one is not all, pray...
... that I will not
heed my Masters call
Desperate yet faithful
You will meet your Maker soon
Into the Fire

Still we waste our souls
searching for a way back home to neverland
search in your heart
for a sign of freedom
Infernal majesty reigns

Kingdom of fire
infernal region

All is one but
one is not all, pray...
... that I will not
heed my Masters call
Desperate yet faithful
you will meet your Maker soon
Into the Fire
