

Chasing Pavements

Adele

Bm F#m

Bm

I've made up my mind,

F#m

Don't need to think it over,

G

If I'm wrong I am right,

F#m

Don't need to look no further,

G

This ain't lust,

A D Bm F#m

I know this is love but,

D

If I tell the world,

F#m

I'll never say enough,

Bm

Cause it was not said to you,

F#m

And that's exactly what I need to do,

G

A

If I'm in love with you,

G

D

Should I give up,

Em

C

Am

Or should I just keep chasing pavements?

Am

C

D

Even if it leads nowhere.

G

D

Or would it be a waste?

Em

C

Even If I knew my place,

Am

D

should I leave it there?

G

D

Should I give up,

Em

C

Am

Or should I just keep chasing pavements?

C

Am

D

G

Even if it leads nowhere...

Bm

I'd build myself up,

F#m

And fly around in circles,

Bm

Wait then as my heart drops,

F#m

And my back begins to tingle

G

A

Finally could this be it

G
