

# Crazy For You

Adele

**G** **Emi**  
found myself today singin' out loud your name  
**C** **D** **C** **G**  
you said i'm crazy, if i am i'm crazy for you  
**G** **Emi** **C**  
sometimes sittin' in the dark wishin' you were here turns me crazy  
**D** **C** **G**  
but it's you who makes me loose my head

**G** **Emi**  
and everytime i'm meant to be acting sensible  
**C** **D** **C** **G**  
you drift into my head and turn me into a crumblin' fool

**Emi** **C**  
tell me to run and i'll race, if you want me to stop i'll freeze  
**G** **Emi**  
and if you and me are gonna leave, just hold me closer baby

and make me

**C D** **G**  
crazy for you,  
**C D** **G**  
crazy for you

**G** **Emi**  
lately with this state i'm in i can't help myself but spin  
**D** **C** **D** **G**  
i wish you'd come over, send me spinnin' closer to you  
**G** **Emi**  
my oh my how my blood boils, a sweet taste for you  
**D** **C** **D** **G**  
strips me down bare and gets me into my favorite mood

**G** **Emi**  
i keep on tryin', fightin' these feelings away  
**C** **D** **C** **G**  
but the more i do, the crazier i turn into

**Emi** **C** **G**  
pacin' floors and openin' doors hopin' you'll walk through  
**Emi**  
and save me boy

because i'm tooooooo

**C D** **G**  
crazy for you,  
**C D** **G**  
crazy for you
