

# Love Is A Game

Adele

All your expectations of my love are impossible  
Surely you know, that I'm not easy to hold  
It's so sad how incapable of learning to grow I am  
My heart speaks in puzzle and codes  
I've been trying my whole life to solve  
God only knows how I've cried  
I can't take another defeat  
A next time would be the ending of me  
Now that I see, ee-ee, ee-ee

That love (Ooh-ooh) is a game (Ooh-ooh) for fools to play (Ooh, ooh, ooh)  
And I ain't fooling (Fooling), what a cruel thing (Cruel thing)  
To self-inflict that pain, yeah, yeah-yeah, yeah  
Love (Ooh-ooh) is a game (Ooh-ooh) for fools to play (Ooh, ooh, ooh)  
And I ain't fooling (Fooling), what a cruel thing (Cruel thing)  
To self-inflict that pain

How unbelievable (Unbelievable)  
Of me to fall, for the lies that I tell? (Lies I tell)  
The dream that I sell? (Dream I sell)  
When heartache, it's inevitable (It's inevitable)  
But I'm no good at doing it well  
Not that I care (I don't care)  
Why should anything about it be fair?

When love (Ooh-ooh) is a game (Ooh-ooh) for fools to play (Ooh, ooh, ooh)  
And I ain't fooling (Fooling), what a cruel thing (Cruel thing)  
To self-inflict that pain, yeah, yeah-yeah, yeah  
Love (Ooh-ooh) is a game (Ooh-ooh) for fools to play (Ooh, ooh, ooh)  
And I ain't fooling again (Fooling), what a cruel thing (Cruel thing)  
To self-inflict that pain

No amount of love, can keep me satisfied (Satisfied, satisfied)  
I can't keep up (Can't keep up, can't keep up)  
When I keep changing my mind (Change my mind, change my mind)  
The feelings flood me to the heights of no compromise

Love (Ooh-ooh) is a game (Ooh-ooh) for fools to play (Ooh, ooh, ooh)  
And I ain't fooling (Fooling), what a cruel thing (Cruel thing)  
To self-inflict that pain, yeah, yeah-yeah, yeah  
Love (Ooh-ooh) is a game (Ooh-ooh) for fools to play (Ooh, ooh, ooh)  
And I ain't fooling again (Fooling), what a cruel thing (Cruel thing)  
To self-inflict that pain (Ah, ah, ah-ah-ah, ah-ah, ah, ah, ah)

I can love, I can love again  
I love me now, like I love him  
I'm a fool for that  
You know I, you know I'm gonna do it  
Oh-oh, oh-oh  
I'd do it all again like I did it
