

# Cage The Beast

Adelitas Way

I see it in your eyes  
You're feeling paranoid  
You know just what I've done  
You know what I've become  
I feel it deep inside  
With all the pain & lies  
I know just what I want  
I am an animal

I think it's time I let you go  
Why did you send me off?

You can't cage the beast  
There's no breaking me  
You can't cage the beast inside of me  
I feel the rage  
And all the the pain  
You can't cage the beast inside of me  
Inside of me

I feel it in your bite  
You are a parasite  
Who knows just what I've done  
I think your time has come  
You try to turn the tide  
I think you've lost your mind  
Afraid of what I want  
This sick what I've become

I think it's time I let you go  
Why did you send me off?

You can't cage the beast  
There's no breaking me  
You can't cage the beast inside of me  
I feel the rage and all the pain  
You can't cage the beast inside of me  
Inside of me

You can't cage the beast  
There's no breaking me  
You can't cage the beast inside of me  
I feel the rage and all the pain  
You can't cage the beast inside of me  
Inside of me
