

# Drifting

Adelitas Way

(Drifting)

(Drifting)

Don't tell me you can't love yourself  
You can love yourself, like you never felt  
Can tell you I was scared to try  
Don't be scared to try, if you look inside  
You could be anything  
I could be anything

Some of us we haven't had a dream

Maybe I'm drifting, maybe I'm gone  
Maybe I sold my soul for a song  
Maybe I'm blind, maybe I see  
You know just what I mean  
Maybe I'm drifting, maybe I'm lost  
Maybe I found every line I'd cross  
Some of us we haven't had a dream  
Drifting just like me

(Drifting)

(Drifting)

Don't tell me you can't trust yourself  
You can trust yourself, you got nothing else  
Can't tell you why we live and die  
But it's on my mind almost all the time  
I could be fortunate  
We could be fortunate

Some of us we haven't had a dream

Maybe I'm drifting, maybe I'm gone  
Maybe I sold my soul for a song  
Maybe I'm blind, maybe I see  
You know just what I mean  
Maybe I'm drifting, maybe I'm lost  
Maybe I found every line I'd cross  
Some of us we haven't had a dream  
Drifting just like me

(Drifting)

Maybe I'm drifting, maybe I'm gone  
Maybe I sold my soul for a song  
Maybe I'm blind, maybe I see  
You know just what I mean  
Maybe I'm drifting, maybe I'm lost  
Maybe I found every line I'd cross

Some of us we haven't had a dream  
Drifting just like me
