

I Want You

Adelitas Way

I knew it from the second I was hooked
Your body spoke to me just like a drug
(The shape of it)
My senses had me feelin' like a dog
You said you better never fall too hard
(Look what you did)

I can't get you out of my
Can't get you out of my
Can't get you out of my head
I want you
Can't get you out of my
Can't get you out of my
Can't get you out of my head
I want you

It's safe to say I'm a fool in lust
All the things I wanna do
I'm afraid I might fall in love
Fall in love

All I took was just a little taste
The memory will never be erased
(I dream of it)
Shame I had to watch you walk away
I'd give it all for just another day
(I want you bad)

I can't get you out of my
Can't get you out of my
Can't get you out of my head
I want you
Can't get you out of my
Can't get you out of my
Can't get you out of my head
I want you

It's safe to say I'm a fool in lust
All the things I wanna do
I'm afraid I might fall in love
Fall in love

I'm just a fool that wants it all
I'm just a fool that wants it all
I'm just a fool that wants it all
All, all, all

I can't get you out of my
Can't get you out of my
Can't get you out of my head
I want you
Can't get you out of my
Can't get you out of my
Can't get you out of my head
I want you
It's safe to say I'm a fool in lust
All the things I wanna do

I'm afraid I might fall in love
Fall in love
Can't get you out of my
Can't get you out of my
Can't get you out of my head
I want you
Can't get you out of my
Can't get you out of my
Can't get you out of my head
I want you
Yeah, yeah, yeah, yeah
I want you
Yeah, yeah, yeah, yeah
I want you
