

Stuck

Adelitas Way

I gotta ask you to leave
I gotta ask you to piss
I see something's missing
Guess I said it was love
I guess I said that I'm done
What's this?
I've been feeling stuck
And I'm feeling like some other
Can't you smell the Sun?
Do you ever think to yourself?

Baby, it's all messed up
And I don't like it
I'm the only one that's slipping away
I'm stuck
Maybe it's all messed up
And I don't wanna be the one that keeps on counting my days
I'm stuck
Baby, it's all messed up
And I don't like that I can see my seconds slipping away
I'm stuck
Maybe it's all that's stuck

Sticks before you can know, you never saw what was wrong
I see someone's listening
I guess I said it was love
I guess I said that I'm done
Wise words once said
Now I'm stuck
And I feel like another
Can't you smell that Sun?
And I'm feeling like you never

['cause maybe it's all that's stuck]
And I don't like that
I'm the only one that's slipping away
I'm stuck
Maybe it's all messed up
And I don't wanna be the one that keeps on counting my days
I'm stuck
Maybe it's all messed up
And I don't like that I can see my seconds slipping away
I'm stuck
Maybe it's all messed up
And I don't wanna be the one that always gets in the way
I'm stuck
Baby, it's all messed up

[I know it's all messed up]
And I don't like it
I'm the only one that's slipping away
I'm stuck
Maybe it's all messed up
And I don't wanna be the one that keeps on counting my days
I'm stuck
Maybe it's all messed up

And I don't like that
I can see my seconds slipping away
I'm stuck
Baby, it's all messed up
And I don't wanna be the one that always gets in the way
I'm stuck
Baby, it's all messed up

And I don't like that
I can see my seconds slipping away
I'm stuck
I don't wanna be the one that keeps on counting my days
I'm stuck
