

# This Goes Out to You

Adelitas Way

Baby if you only knew  
How much you amaze me  
I wish that I could find the words  
For the love that you give me  
But here's a song I dedicate to you

For every day that I went away  
And all the times that I didn't say I love you

This goes out to you  
My love, my love  
This goes out to you  
My love, my love

Baby if you only knew  
The way that I'm feelin'  
I can never show how much it hurts when I'm leavin'  
But here's a song I dedicate to you

For every day that I went away  
And all the times that I didn't say I love you

This goes out to you  
My love, my love  
This goes out to you  
My love, my love  
This goes out to you

I can never find the words to say  
This goes out to you  
I can never find the words to say  
So this goes out to you  
This goes out to you  
My love

For every day that I went away  
And all the nights that I'd lay awake  
'Cause every time that I didn't say I love you

This goes out to you  
For every day that I went away  
And all the nights that I'd lay awake  
'Cause every time that I didn't say I love you  
This goes out to you  
My love, my love  
This goes out to you  
My love, my love  
This goes out to you  
My love, my love  
This goes out to you
