

Take Me Home

Adina Howard

Take me home tonight
'Cause I don't wanna be alone
Oh no, baby, not tonight
Love me if you might
Perhaps you my like the endeavour
And stay with me forever

Just sitting right here
Waiting on your call
So we can do the things you like
Boy let's have a ball
I want to take you places
See things you've never seen
From dusk until the dawn
Loving in between
So won't you take me

Take me home tonight (Take me)
'Cause I don't wanna be alone (I don't want)
Oh no, baby, not tonight (To be alone, not tonight)
Love me if you might (Be long too long)
Perhaps you my like the endeavour (The endeavour)
And stay with me forever

The night is young
We have the time
To get to know each other
Baby 'til one and one
'Cause see there is nothing
That I would not do
I'll gladly forsake others
For the love of you

There's no other man alive (There's no other man alive)
Who can make me feel (Who can make me feel)
Like you do (Like you do, you oooh)
I can't find a reason why (I can't find a reason why)
I should spend my life (I should spend my life without)
Without you (You, you, you, you, you, you, you, you)
Oooooooh

Take me home tonight (Taaaaake)
'Cause I don't wanna be alone (Me home)
Oh no, baby, not tonight (I don't want to be alone tonight no)
Love me if you might (Looooove me)
Perhaps you my like the endeavour (Tonight yeah)
And stay with me forever

Take me home tonight (Taaaaake me, taaaaake me)
'Cause I don't wanna be alone (I promise)
Oh no, baby, not tonight (Anything that you need me to do)
Love me if you might (I'll do, I do, I will)
Perhaps you my like the endeavour (Hey, oh yeah)
And stay with me forever

Take me home tonight (Take me, take me, take me)
'Cause I don't wanna be alone (Take me, take me, take me)

Oh no, baby, not tonight (Take me, take me, take me)
Love me if you might (Take me, take me, take me)
Perhaps you my like the endeavour (Take me, take me, take me)
And stay with me forever (Take me, take me, take me)
