

# Undisclosed Treasures of the Mortal

Adorned Brood

He was the one,  
who could control his power,  
and lives for all eternity.  
He was the one,  
who homages his strength,  
his will be reprieved  
by the gods.

He was the one,  
who stood on the cliff  
fighting with the beast  
and turning into a legend.

You are one of them,  
who take all they need.  
Your life is a dream  
that never ends.

Orks, fairies and witches  
Ain't streange to you  
Elexier, trickery, old books  
Magic conjuration  
campaign and blood prediction  
occultism, sorcery  
fear and courage split your soul  
in two parts

Wise and alone  
you walk your own way,  
Secure and mighty  
you walk through the world...

...the world of your illusion.  
The hymn of the wizards.  
The world of your illusion.  
The hymn of the wizards.
