

# Sooner Or Later

Adrian Lux

Pray for a lonely view  
We crave the silent tune  
Take cover in my arms  
Away from everyone

You'll be safe from dangers tonight  
Wait for an oasis to arise  
Hold on, don't scream  
Sooner or later those skies will fade

Sooner or later  
Sooner or later

Sooner or later  
Sooner or later

Stay warm in the coldest tune  
We face the darkest truths  
Take comfort in this calm  
A long way from where we've gone

We'll be safe from dangers tonight  
Pray for the oasis to arise  
Hold on, don't scream  
Sooner or later those skies will fade

Sooner or later  
Sooner or later

Sooner or later  
Sooner or later
