

Weekend Heroes

Adrian Lux

We keep our wishes untold
No one can hear us
We fall in two feet from home
Weekend heroes
Girl from ---
What's holding you down?
Out of control it's a circle around my mind
--- when my feet are walking
---, oh.
Left my body talking
We keep our wishes untold
No one can hear us
We fall in two feet from home
Weekend heroes
We keep our wishes untold
No one can hear us
We fall in two feet from home
Weekend heroes
We keep our wishes untold
No one can hear us
We fall in two feet from home
