

# Aeons Black

Aeon

Where's your savior  
Where's your god (4x)

Sin after sin  
I sweep across the land  
Your fate is in my hands  
With me comes darkness

With me comes ice  
It surrounds you  
Aeons Black

Where's your savior  
Where's your god (4x)

Sin after sin  
There's no place to hide  
My spears will pierce  
Those walls

I bring you darkness  
And icy winds  
Death surrounds you  
Aeons Black

Untouchable  
Invincible  
Victorious

Where's your savior  
Where's your god (4x)

Sin after sin  
Stare at the sun  
Turns black  
All life on earth collapse

I am darkness  
The freezing wind  
I am death  
Aeons Black
