

Raven And Blood

Aeternus

high fathers - teaching knowledge - increasing wandering through
lands listening - mysterious folk lore enchantment - through
books desire - to learn the truth to seek the raven - and the
blood travelling for many days i find the place - where the el
ves hide elves of wisdom - knowledge of mystery i must seek the
ir knowledge faith growing - deeply raven and blood - await me
have i failed - is this folk lore time goes on - i have no long
er guidance confusion within my mind i look up - and in the t
ree i see and i see the land - covered with blood the raven fin
ally - the eternity raven and blood - they came to me ...and
the raven became my king [spoken] ...and the blood embraced me
...and provided me with the strength of ...and entered my vein
