

# I Am Trying Very Hard to Be Here

AFI

Before you came, what was your name?  
Did you look like me?  
No one's from here, no one, my dear  
Not even the trees

So change your name  
Just keep your face  
We're temporary anyway  
Before you came we played this game  
In our masquerade

(Flash, flash, car crash)  
We're no fixtures  
(Quick now, quick)  
Take our picture  
(Flash, flash, car crash)  
We're no fixtures  
(Whoa-oh)  
Whoa-oh-oh!

What was your past?  
When was the last time that you recall  
Someone you knew was someone who  
Asked nothing of you

So lose your past  
I'm sure you'll find  
It's in the way  
All the time  
Before you're through you're someone who  
Looks a lot like you

(Flash, flash, car crash)  
We're no fixtures  
(Quick now, quick)  
Take our picture  
(Flash, flash, car crash)  
We're no fixtures  
(Whoa-oh)  
Whoa-oh-oh!

We can't, can't remember the seasons  
We chant in the manmade snow  
We can't, can't recall the feelings that  
We cannot show  
Oh!  
(Whoa-oh)  
(Flash, flash, car crash)  
We're no fixtures  
(Quick now, quick)  
Take our picture  
(Flash, flash, car crash)  
We're no fixtures  
(Whoa-oh)  
Whoa-oh!

(Flash, flash, car crash)

We're no fixtures  
Quick now, quick  
Take our picture  
(Flash, flash, car crash)  
We're no fixtures  
(Whoa-oh)  
Whoa-oh-oh!  
(Hey, hey)  
Oh!
