

## Wonderful Tonite

Afroman

The more you drink the better I sound  
Go to the bar and buy another round I feel wonderful  
How many people feel wonderful tonight

She unfastens her bra strap  
She slides off her underwear  
The beautiful moonlite  
Reflects on her pubic hair

I open her legs  
Then slowly slide my tongue inside  
And say darlin'  
You taste wonderful tonight

She sucks on my dick head  
She gradually licks my balls  
She tickles my asshole  
Cause this girl can do it all

I came so hard  
I slowly lost my eyesight  
And I said darlin'  
You suck wonderful tonight

Hey get the phone man

Hello, what?  
Eric Clapton ain't gonna clear it?  
Tell em sue me this shit is tight
